

A Message from Mayor Wax

October 3, 2017

After tonight, we will be sending out messages on Monday, Wednesday and Friday. This is aligned with the Emergency Operations Center (EOC) meetings on the same days and is part of our ongoing efforts to return to normalcy.

We urge you to use these letters, and information posted on City/Town/County web sites, as an accurate source of information. As to be expected, some things may change because of new direction and input coming out of the EOC. We know this can be stressful, but we're getting valuable input from individuals and organizations, who are sharing their experience in successfully rebounding from a catastrophic event.

Should something of significance arise on a "non-publication" date, we will send out a message.

It's getting better every day!!
