

## PARK

Nestled within a 12-acre live oak forest, the Community Aquatic & Skate Park is open year round for the enjoyment of residents and visitors to Aransas County. The park houses an 8-lane, 25-yard heated pool and diving area, a large wading pool with slides and fountain area, a bathhouse, concession stand and a 6,000 square foot modular skate park.

Adjacent to the Aquatic & Skate Park is a picnic area and playground, which is accessible to the Tule Hike and Bike Trail.

## RENTALS

Arrangements can be made to rent one or both pools, covered pavilions, or the skate park for private parties. Please contact the pool office for pricing and additional information.

This facility is jointly administered by the City of Rockport, Aransas County, the Town of Fulton, and Friends of the Pool, a nonprofit organization. The City of Rockport Parks & Leisure Services Department is responsible for daily management of the facility.

**The Swimming Pool Advisory Committee meets at the pool. A meeting agenda will be posted at the pool at least 72 hours prior to the meeting, and on the City of Rockport's website. The public is encouraged to attend. Contact the Parks Manager if you wish to place an item on a meeting agenda .**
