

CITY COUNCIL AGENDA
Regular Meeting: September 8, 2020

AGENDA ITEM: 4

Presentation: Items from 1970 Sesquicentennial Time Capsule.

SUBMITTED BY: Assistant to the City Manager Kimberly Henry

APPROVED FOR AGENDA: PKC

BACKGROUND: Since opening the time capsule from 1970, staff has been recovering various documents and will be bringing items to the Council through November 2020.

With the 7th presentation of items for the time capsule we are looking at some more fun items from their 100th celebration. The buried treasure had clues for the people who bought the maps and allowed the public to have fun searching for the “gold.” Over 250 citizens were involved in the “Bustles to Bikinis” production, which included a few entire families. An audio recording of the production is available on the City’s website at <https://cityofrockport.com/788/Voices-from-the-Past---The-Time-Capsule>.
